Experience

Michigan Radio, University of Michigan

Summer 2018 Web Production Intern

- Write stories, shoot and edit photo and video footage, create multimedia content for the web
- Innovate and brainstorm on an evolving digital team, implement new ideas on all things web-related
- Update, monitor, and promote social media accounts to reach a broader audience

PCAP University of Michigan Podcast, *While We Were Away*

Podcast Creator / Producer / Project Manager

- Created the concept, pitched the idea, and curated this podcast from beginning to end
- Interviewed formerly incarcerated men and women about topics surrounding transitioning back to freedom
- Communicated and collaborated with peers, professors, and formerly incarcerated individuals. Planned schedules and organize meeting places

Sound Technician, Young Life

2018 Summer Staff

- Worked sound board, computer/projector, and lights at events for a Christian summer camp of 500+ people
- Produced at least two events each day, one on a designated stage, and one outside, which required setting up portable speakers, microphones, and lights

Michigan Radio, University of Michigan

2017-2018 Development Intern

- Collaborated with development staff to write grant proposals and research future grant opportunities
- Contributed and created multimedia content for the website that outlines various aspects of the station such as history and geographic area covered

State Appellate Defender Office, Detroit MI

Summer 2017, Research Intern

- Specialized in research on Miller v. Alabama juvenile life sentence appeals
- Reviewed legal documents and communicated information with attorney to create a timeline / narrative of clients lives in order to strengthen the appeal case

Sea Education Association, Boston University

Undergraduate Study Abroad, Winter 2016

- Worked as crew while sailing the Caribbean and conducting research focused on the effects of climate change on our world's oceans
- Studied culture in Caribbean countries with a specific focus on conservation and the environment in regards to literature and oral storytelling
